Betreft Reaction on your Public Access Request

Dear [...],

In your email of 3 November 2021, you requested information on meetings of the Dutch Permanent Representation to the European Union, invoking the Government Information (Public Access) Act (Wet openbaarheid van bestuur; Wob).

The information you requested concerned the following:

'How many meetings have employees of the the Permanent Representation of the Kingdom of the Netherlands to the European Union had with representatives of companies, organisations, and other lobbyists, since 2 July 2020?

I would like to request a list of these meetings including who was present at the meeting, the names of the organisations and lobbyists present, the date of the meeting, and the subject matters discussed. '

The decision was postponed by four weeks on 1 December 2021.

Statutory framework

Your application falls within the scope of the Government Information (Public Access) Act.

Decision

In response to your application, one document has been created, namely a list of meetings of the Permanent Representation of the Kingdom of the Netherlands to the European Union with stakeholders. This list encompasses meetings in the period from 2 July 2020 until 3 November 2021, the date of your request. I have decided to grant your application and to disclose this document.

Despite the fact that the Government Information (Public Access) Act does not provide for any obligation to produce information that is not already contained in existing documents, regardless of the degree of effort that this would involve, I have

decided to create a document in order to be able to substantively reply to your application and in that way serve the public interest by disclosure of the requested information.¹

With regard to this document, it is relevant to mention that no distinction is made between who took the initiative for the meeting; the Permanent Representation in principle receives every stakeholder. Further it is relevant to mention, that the document encompasses meetings that took place in the building of the Permanent Representation, as well as meetings which have taken place through videoconference.²

In the document you will find:

- the date of a meeting,
- the name of the stakeholder,
- the topic discussed at the meeting and
- the abbreviation of the department of the Permanent Representation of the Kingdom of the Netherlands to the European Union that is responsible for the topic discussed.

In the document you will not find the names of the persons who were present at the meetings. I do not disclose this information in respect of personal privacy, on the ground of section 10, subsection 2, opening words and (e) of the Government Information (Public Access) Act.

Overall and according to my analysis the document shows the following numbers and percentages:

Results (in numbers)	Results (in percentages)
Business 266	Business 30,37%
NGO 117	NGO 13,36%
Government 391	Government 44,63 %
Education/Think-thanks 86	Education/Think-thanks 9,82 %
Undefined 17	Undefined 1,94 %
Total 876	

¹ See the judgment of the Administrative Jurisdiction Division of the Council of State (ABRvS) of 5 June 2013, no 201204362/1/A3.

² For events that have been organized by the Dutch Permanent Representation, the list contains information about the invitees to these events, not about the stakeholders actually present. Furthermore, in light of the fact that -due to the pandemic- many meetings have taken place through video-conferences in the period covered by this request for access to documents, it has been decided to also retroactively include these meetings in the list. However, due to staff changes no guarantee can be given that the list is complete in this respect.
